Forepaugh-Sells Circus.

With the coming to Paris on Thursday, September 22, of the great Adam Forepaugh and Sells Bros United Shows, the circus-loving people of this vicinity will have an opportunity of seeing the widely advertised and much-discussed act of Diavolo looping the loop on a bicycle; undoubtedly the most sensational and risky one ever attempted in any arena, with the one exception of that performed by Prodigious Porthos, who makes his first American appearance with the aggregation named, and accomplishes the marvelous cycling feat of vaulting across a chasm fifty feet in width, while mounted on an ordinary safety wheel. Starting from a point at the extreme height of the canvas dome Diavolo dashes daringly down an engine plane one hundred and ten feet in length, and with the terrific momentum thus attained he makes a complete revolution in the air on his wheel. At the top of the loop, where rider and bicycle are upside down, he speed has been calculated to be about thirty miles an hour, having dwindled from a sixty mile rate, in making the twenty-foot descent to the height of the loop. While the act only lasts a few seconds, the thrill of the electrifying excitement it engenders will be felt for many hours.

What MITCHELL Says

Lots of good people have quit making Ice Cream. They just send to me and get better than they can make.

I have been furnishing quite a number of people with Orange Ice for receptions. They have all been pleased.

Some buy my Peach Ice Cream, and I claim it is the best ever sold in Paris.

All the Soda drinks I make are strictly fine and you will do well to call at my store when you are dry.

I am the whole thing when it comes to fine confections. The girls all say so.

Yours truly,
 C. B. MITCHELL
